I'm a visual designer with a passion for telling stories. I believe good design is transparent and should never obstruct its purpose.

My experiences have enabled me to work constructively within a team, manage multiple deadlines and stretch my design limits; All the while guiding the strategies and expectations of clients and coworkers alike.

## Experience

**Thismoment Inc.**  
Web Designer  
2012 - 2014

While at Thismoment, I worked with a team of designers creating design templates and style guides for Fortune 500 brands and agency partners; Developing dynamic brand experiences.

**Photolicious Booths**  
Graphic Designer  
2010 - 2012

I designed banner graphics, photo albums, flyers and other print related material for our clients' special events. I also delivered and operated our photobooths at these events.

**Minted**  
Design Associate  
2009 - 2010

As a design associate, I helped clients create custom greeting cards by combining their supplied text and imagery.

**Oxnard PD**  
Videographer Intern  
2007

While interning at the Oxnard Police Department, I helped Script, film and edit the first police department webcasts in the country.
